

# THE SOUTH INDIAN EDUCATION SOCIETY

## CANTEEN CONTRACTOR

### For its Nerul Campus, Navi Mumbai

The South Indian Education Society needs a canteen contractor for its academic campus at Sector V, Nerul, Navi Mumbai. The campus houses ten institutions and has a student enrolment of 10000 and staff strength of 500. A separate building houses the canteen. While the Society requires a reasonable and affordable tariff for the various items served by the canteen, it offers attractive terms to ensure a reasonable return for the service provider.

The Society encourages and allows only Vegetarian food. Applicant contractor should have been in the same business for over a decade and should provide testimonials from the existing institutions served by them.

A graduated incentive scheme based on the diminishing frequency of complaints is a stimulus that would attract the prospective applicants. Interested contractors need to fill in the application form uploaded in the website : [www.siesedu.net](http://www.siesedu.net) and forward the duly completed application form only by email to : [siesvs@gmail.com](mailto:siesvs@gmail.com) within 10 days hereof.
